Title	QUALITY POLICY	Page 1 of 1

Quality Policy Statement

Rwanda Standards Board (RSB) is committed to consistently provide internationally recognized standardization, metrology, certification, quality testing and training services that meet customer requirements and expectations, statutory and regulatory requirements, and adhere to regional and international agreements and practices.

RSB ensures that its services contribute to sustainable development of the country and continually improve the effectiveness of the established Quality Management Systems in line with the established Institutional Quality Objectives and further detailed at Division level.

Raymond MURENZI

Director General
