

Dear Sir/Madam:

Subject: Instruction concerning the sale of Dairy Products that are Standard Compliant

In order to promote the *Made in Rwanda* program, enforce the Ministerial Order N° 001/11.30 of 10/02/2016 Regulating The Collection, Transportation and Selling of Milk and also implement the resolutions of the consultative meeting of 29th March 2017 held at Nobleza Hotel between Rwanda Standards Board (RSB) and all Milk and Milk Products processors as well as sellers;

RSB hereby reminds you that with effect from the date you receive this letter, you should not accept any milk or milk product that does not comply with standard requirements with a proof of a certification mark. The only accepted suppliers of such products are those whose products have been certified.

RSB further informs you that after receiving this letter, any mentioned non-compliant product/s that will be found at your selling point will be at your liability as stipulated in the laws of Rwanda.

RSB also hereby requests all partners concerned to monitor and prevent the supply and entry on market of such products which do not comply with standard requirements.

Thanking you for your continued collaboration.

Yours sincerely,

Raymond MURENZI
Director General
